Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 06 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells. Scattered showers developing, mostly in west.

Today:
A mainly dry, bright start with some sunny spells through the morning. Slow moving showers developing, mostly in west later this morning and during the afternoon, some heavy. Light northwesterly winds. Maximum temperature 20 deg C (68 deg F).

Tonight:
Showers dying out to leave a mostly dry night with clear periods. There will some patches of mist and low cloud later in the night. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Most places will be dry with sunny spells. It will be cloudier at times towards the North Coast with some mist patches and a little drizzle. Brisk northerly winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
A lot of dry weather with just a few light showers. Clouds breaking at times to give some warm sunshine. Light winds.
